### AIFS TRANSPORTATION PACKAGE

Participants have the option of purchasing a round-trip ticket for the flight arranged through AIFS. Participants choosing this option should note the following restrictions: Tickets purchased from AIFS are exclusively on scheduled airlines (not charters). They are not endorsable to another carrier. Flights are not necessarily direct or non-stop, they cannot be rerouted, and frequent flyer miles are not applicable. The AIFS Transportation Package includes round-trip ground transportation from the airports overseas to your accommodations on the regularly scheduled program dates. AIFS will book flights only on the dates indicated on this application.

Participants wishing to purchase the Transportation Package must notify AIFS by Thursday, February 1, 2018. Participants wishing to cancel from the flight must notify AIFS in writing by Thursday, February 1, 2018. Cancellation penalties will apply. Tickets are non-refundable after this date.

**AIFS Airfare Regulations:** Return must be to original U.S. departure city. Tickets are subject to airline availability. No refunds are available for any unused portion of ticket. Stopovers are not permitted. Once overseas, participants may be able to change their return date, but only if that date is available and in the same class of service in which the ticket was booked. Only the ticketing agent can provide this information. Participants are subject to agency and airline-imposed change fees and space availability. Group round-trip ground transportation to and from the airports overseas is on the regularly scheduled program dates only.

**AIFS cannot guarantee that all passengers will be booked on the same flight.**

*AIFS will not make your flight arrangements for you unless you select the flight on your online enrollment form or return the ‘Transportation Package Request Form’ by Thursday, February 1, 2018. The form can be found on the AIFS student portal at www.aifscustomized.com and posted in the ‘Document Library.’*
