### Before Applying

* A good first step for interested students is meeting with the College of Engineering and Study Abroad Advisor to learn more about the program.

### College of Engineering
- Pingchien Neo
  - International Programs Coordinator
  - Tel: (352) 392-8972 ext 1035
  - pneo@eng.ufl.edu
  - 204 Weil Hall

### Study Abroad Advisor
- Caroline Cully
  - Assistant Director of Study Abroad Services
  - Tel: (352) 273-1518
  - ccully@ufic.ufl.edu

### Apply to Global E3
- Student will first need to narrow down choices to their top 3 potential hosts
- Student, in consultation with the International Programs Coordinator, completes the GE3 application.
- International Program Coordinator will review application and submit it to GE3.

### Apply to UFIC
- Visit the Study Abroad website for your top choice of school. Complete an application.
- There are 3 components:
  1. **Online Questionnaires & Signature Documents**
  2. **Academic Advising Form** (your list of courses you intend to take)
     - This form can be picked up at UFIC.
  3. **Deposit of $250** – This fee must be paid at UFIC by cash/check/money order.

### Once You Have Been Accepted
- The International Programs Coordinator will notify you of your acceptance into GE3 as well as your placement.
- You will then need to turn in your completed Academic Advising Form to UFIC.
- Meet with the Study Abroad Advisor for more country specific information, i.e. visas.
